A beautiful rainbow over our centre a sign of good things to come. “I can sing a rainbow.”

Ninna Marni (Hello) to all our families,
Welcome to our new children and their parents.

Parents we welcome your involvement in our program. Please feel free to give your suggestions or ideas and discuss your child’s progress.

Fruit time: Please send your child’s fruit in a separate named bag as we no longer share fruit.

Please support your child’s learning by sending them in old and spare clothes.

Parents please check your child’s hair as there has been a reported case of head lice.

Winter is almost upon us and the children were excited and very happy to see the dry digging patch return to its muddy splendour.

Corie, Willara, Stephen, Neveah and Angus enjoying their time in the digging patch or winter bog!!!!!!

Friendly Reminders WE NEED YOUR SUPPORT
KINDY FEES are used to purchase resources such as materials, books, equipment and to support our excursions and incursions.
Fees are due $35 per term this can be paid in instalments if needed.

Thankyou to the families who have paid 😊

questions give her a call on 0477309091

Aboriginal Family Clinic
Families are important !!!!!!!!

Literacy Packs are available for loan Please help
yourself and don’t forget to write your child’s name
and the pack number in the loan book

Programming and Planning Term 2 2013
This Term our focus has been on transport, insects and bugs.
The children have enjoyed moulding amazing objects with
clay and this helps to strengthen their fine motor skills. We
extended our literacy focus to the mud patch and have con-
verted it into a cooking area, a dinosaur habitat and a mudd-

dy track for toy cars. They have fun wheeling their wheel-
barrows with onions and pumpkins around the yard. Our
numeracy focus has been on numbers and reading the time,
the children enjoyed recording the time with the help of the
toy clocks and the sand clock, they cleverly extended it to
the computer games on clocks. They drew their own clocks
with attribute blocks.

The Aboriginal Family Literacy program has focused on
drawing and making spiders and learning about colours
and shapes. The children are practising some of our favourite
songs and learning some new ones. Following parent feed-
back from Yarning Time, emphasis will be on letters of the
alphabet and numbers. These are all very important when
you are a shopkeeper.

A big Thank You to Belinda and Tracey from
Communities for Children for all your help with
the mosaics on pavers. We will be placing the
pavers around the digging patch to form a nice
garden feature. If you would like your child to
mosaic a paver please contact staff.

Onions, sweet potatoes and pumpkins for
sale from the Kindy vegetable shop. Shop
keepers Louise and Corie were doing a
great job.
